Online Take-Out & Delivery Menus

Visit MenuMap.ca to view the menus of local restaurants that offer take-out, delivery and sit-downs. Never again will you need to rely on the flyers you receive in the mail to order food from the comfort of your home.

With our system you are provided with the phone number, address, map, hours, payment types, menu, web site and driving directions.

You can read reviews of peoples experiences to make sure your visit is worthwhile or you can write your own to share with the rest of the country.

We are constantly upgrading the web site with new features and restaurants so be sure to visit often and tell your friends!
